Dear Sir,

N.E.¼ 32-12-2-W.4th Meridian.

The above-mentioned lands were encumbered by a Joint Dominion-Provincial Seed Grain, Fodder and Relief Lien in respect of advances made to Edward Herta in 1921-1922, amounting to $125.78. Pursuant to Cabinet authority and Order-in-Council P.C. 1961-38,1156, dated the 16th of August, 1961, the 50% Federal share of the account was cancelled on the recommendation of my Minister, and the provincial equity was also discharged under the provisions of Section 4, the Relief Indebtedness Act, Chapter 32, Statutes of Alberta, 1939. The Registrar, South Alberta Land Registration District, has been duly requested to delete the Lien from the title for these lands, in order to remove any encumbrance in this regard.

According to a recent abstract, the property is registered in the name of the Director, Veterans' Land Act, under Certificate of Title 121-3-209, and, if the Lien is still shown on your Duplicate Certificate, I would suggest that you submit it to the Registrar for amendment, at your convenience.

Yours very truly,

A. T. Davidson,

Sir:-

On the 5th of May, last, I enclosed you the declaration of abandonment of Mr. Thos. W. Bachan of 715-Kennedy Street, Edmonton, of his entry for the S.E.¼-22-51-4-W. 5th, and upon which there would appear to be 14 acres of slashing worth $35.00.

I was also enclosing you a Departmental cheque No. 3738 for the sum of $1.00 furnished by Mr. Bachan to receive by wire his authority to make another entry.

Mr. Bachan called today and stated that he duly received the said authority by wire and wanted to know whether his abandoned homestead had been re-entered for by some other party, so that he could apply for a refund of the improvements paid thereon.

On looking over my file, I find that no acknowledgement of my letter to you of the 5th of May, last, has been received here and therefore, my township register shows that the land is still in the name of Mr. Bachan.

In reply I am to advise you that as this report shows no one in residence and no improvements, and as no defence has been filed to the cancellation proceedings outstanding, it has been decided to carry out cancellation of this entry. [illegible]:

Mr. Greenway.

The Department has under consideration improved methods for disposing of lands which heretofore have been subject to ordinary homestead entry.

Pending a definite pronouncement of policy, it has been decided to reserve all lands that under ordinary circumstances would be posted for ten days. This will, of course, not affect newly surveyed townships nor will it interfere with the granting of homestead entries where there is an applicant for cancellation.

You might instruct the Agents of Dominion Lands to refer for the consideration of Head Office all cases where under ordinary circumstances the lands would be automatically posted for ten days, and if there is anyone pressing to have the land made available, we can submit the matter for the consideration of the Minister. But where there is no one pressing to have the land posted, there is no reason why any submission should be made and the files should be noted to be brought up for consideration on say the 1st of December, next.

[illegible] Deputy Minister.

I wish to abandon the S½ 22-51-4 W 5th
The reason for abandoning same is that upon finding proved corner mounds, I find that the land covering my filing was not the land shown me. I found that the sand in question was not suitable for farm land, as it was covered with a thick growth of timber & would cost more to clear it, than I can buy wet class improved farm for.

16. State any special circumstances such as illness, accident or lack of means, which should be considered by the Department in dealing with your case. Give any further information which in your opinion should be brought to the attention of the Department?

Ans. At the time I moved out to my Homestead in January 5th. 1909, I stayed there not quite two Months, And I was called home on the account that my wife took sick, But if she had not gotten sick, I intended to stay out there all this summer, and errect a house, and brake up the land, and in the Fall, I intedded to move my family out there and make my homestead my home.

I am going out there again this Fall, to errect a house, and I intend to move my family out there as soon as I get a house to put them into. At the present time, my wife is not much better, But I hope she will be, so I can full fill my plan.

I, Halfdan E. Ostby of Winger, Polk Co., Minn.

do solemnly declare that the answers to the foregoing questions are true in substance and in fact: and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath, and by virtue of "THE CANADA EVIDENCE ACT," 1893.

Dear Sir:-

Re Loan No. A. 3810 -Halfdan E.Ostby.
N.W.¼-32-1-14-W4th.Dept.file 1641506.

Referring to your letter of the 14th ult., may we inquire why the moneys collected have all been applied to relief and fodder liens instead of crediting the money on the three different classes of liens pro rata?

It is the desire of this office to see that the remainder of the liens on land in which we are interested are paid as soon as possible. We will be pleased to assist your local collector in any way we can, if you will be good enough to state his name and address, to facilitate and insure these collections.

Mr. Ostby is said to own the S.W. ¼ of section 32, and his wife is understood to own the N.E. ¼ of section 31.

We beg to advise that should we be ultimately obliged to foreclose this mortgage, and the debt to the Government has not been recovered, we will expect any balance outstanding to be equitably adjusted according to the value of the seed used on the respective quarters.

Yours truly,

Division Manager.

MEMORANDUM.

N.E. Middle W. 4th M.
Pre-emption - Joseph L. LaFleur.
Entry granted 6th May, 1909.
Homestead patented.

Correspondence was instituted against this entry on the 30th December, 1911, for failure on the part of the entrant to apply for patent within eight years of the date of entry.

The entrant in his defence claimed continuous residence on his homestead from 1911 to 1911, and a total of 220 acres of breaking up to 1917. He stated that he had been ill for ten years with rheumatism, and that his wife had been ill in a Sanitarium for the past nine years. As it appeared from his statement that he was in a position to apply for patent he was allowed a period of sixty days in which to do so.

In May of last year, a number of communications [illegible] to this office, but nothing further has been heard from him.

Returns have been made in connection with the purchase price of this pre-emption. It is suggested that the entrant be given a final period of sixty days within which to apply for patent.

Memorandum:

Timber and Grazing Lands Branch,

Re N.E.¼ 12-1-14-W. 4th M.

According to your report of the 19th instant, this land is reserved in connection with an application for a grazing lease.

On the 4th October last a communication was received from Mr. Wilmot Hugh Coglon, stating that he was living with his parents on the North West quarter of Section 4, Township 1, Range 13, West of the 4th Meridian and that he wished to obtain the above described land as a homestead, stating that he was nineteen years of age.

A Homestead Inspector's report was obtained and a copy is attached herewith for your information. According to this report, one hundred and fifty acres are suitable for cultivation and the land is suitable for agricultural purposes by a settler or the son of a settler already established in the district.

Will you, therefore, have the application for a grazing lease considered and advise this Branch as to what action is taken in connection therewith.

(Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce,—
(a) Evidence of honourable discharge.
(b) If not discharged, evidence of being incapacitated and of honourable military record.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 17th March, 1925.
(Entry in person or by proxy.)

By general public including civilians, men on active service and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 50.00.

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $250.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid, the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST LAND.

The following indebtedness is charged against the land: $ 287.89, with interest. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Agent Dominion Lands.

Sub-Agent of Postmaster at Clarinda, Alberta.

With reference to your homestead entry for the above described quarter-section, I beg to inform you that a Homestead Inspector has now reported the fencing on the land to be worth $24.00. Sir:

I beg to advise that our Annual Statement addressed to George Macdonnell at Kingston, Ont., has been returned by the Postal Authorities.

This indebtedness, which was incurred by George L. LeHeup on the security of the land above described, amounted as on the 31st March last to $431.81.

Sir:

Having been credibly informed that you are acting as representative of the late George Macdonnell, I respectfully beg to direct your attention to the indebtedness for seed grain, fodder and relief advanced by this Department in 1912 and 1915 on the security of the above quoted land, as shown in the statement enclosed herewith.

As I am advised that the land was rented on shares and that the estate had received one-quarter of the earnings in connection with the crop thereon which was a profitable one, it is expected that an endeavour will be made to settle the account by return mail, or that you will advise as to your intentions in the matter.

Re N.W.7-1-13 W.4th.

Dear Mr. Ross:-

In reply to your letter of the 11th instant, I beg to state that George Lorne Leloup homesteaded the above land, which was patented to him on the 27th December, 1913, subject to a lien for $25.75 for seed grain advanced to him in 1912. In 1915 he received further advances of seed grain, fodder and relief on the security of this quarter and his pre-emption, N.E.12-1-14 W.4th, which has since been cancelled, there being a balance due on the account as shown in the statement attached to your letter, which I am returning as requested.

Encl.

According to an abstract of title covering the N.W.7-1-13 W.4th which is on file, this quarter section was transferred to Mr. George MacDonnell on the 24th November, 1921, subject to these liens, transfer being registered on the 28th idem. The liens are unquestionably a correct charge on the land and under the circumstances no action can be taken to remove same until payment in full has been received. The holder of title to the land is, of course, responsible for the payment of the indebtedness.

OTTAWA,

"In view of these circumstances we would ask you to give this application your careful consideration as it will be a great hardship to our client to lose this amount of money."

The letter from Mrs. E. A. Macdonell of 16 Alice Street, Kingston, Ont., dated the 21st February, 1928, reads as follows:-

"I am the widow of the late C. H. Macdonell, K.C., of this city and the sole executrix and devisee under his will. My late husband at the time of his death was the owner of the above parcel of land, having acquired same, I believe, in the following way. The original owner, George Lafne, a Group borrowed of my late husband the sum of $120.00 on the security of this land in June, 1914. The Group subsequently made default in the payment of his mortgage and abandoned the property and transferred his interest in the same to my husband. Since that time there has been very little revenue from the property, the amount received, being insufficient to pay the interest on the mortgage and the property is now being sold for the amount of the mortgage, and the accumulated interest from 1914, (less a small surplus derived from the property after paying taxes, is a total loss.

"I understand the Government are claiming a certain sum of money for seed Grain and Fodder and I would respectfully ask the Department to take these facts into their serious consideration to release the monies due to the Crown in pursuance of the powers contained in the Statutes of Canada 1927, Chapter 61. Trusting this matter may be fairly and equitably adjusted in view of the circumstances outlined above."

The Licence's pre-emption, [illegible]-1-14-W.4th, was duly cancelled under date of July 7th, 1921, and re-entered for by one Benjamin Hyk as a homestead subject to the assumption of the indebtedness.

A Homestead Inspector's report made under date of March 14th, 1922, in connection with the Homestead states that the estate was in the hands of one George Letourney of Kingston, Ont., and that Henry Hyde was working the land on shares, the estate to receive one-quarter of the proceeds.

According to Homestead Inspectors' reports dated November 27th, 1924, and 30th June, 1925, the pre-emption was fit for agricultural purposes, and the improvements consisted of 1½ miles fencing valued at $30.00.

There is no report on file to show the valuation of either quarter-section.

Messrs. Henderson & Herridge, Barristers of Ottawa, wrote under date of March 23rd, 1927, as follows:-

"We enclose herewith a letter from our client, Mrs. E. C. Macdonnell. She is the widow and sole beneficiary of the late T. C. Macdonnell, K.C., of Montreal, who, in the year 1914 advanced the sum of $12.50 to George Lorne Lemieux. Mr. Lemieux was the owner of the above lands at that time and he mortgaged them to Mr. Macdonnell as security for this loan. Default was made in payment and the property was transferred to Mr. Macdonnell in satisfaction of the debt.

"After obtaining the title to the property Mr. Macdonnell discovered that there was a considerable sum of money owing to the Government for seed grain and fodder and his widow is now making application to you to have this debt released under the powers conferred by Statutes of Canada, George 7, Chapter 81.

"The revenue from the property has been insufficient to meet the interest on the mortgage. The taxes are now being sold for the amount of the mortgage and the amount of seed grain and fodder would be a total loss to Mrs. Macdonnell.

Mr.Perrin

Re - George L. LeHeup.
N.W. 7-1-13-W4M.
N.E. 12-1-14-W4M.

This case has received the investigation and recommendation of the Seed Grain and Relief Adjustment Board of Alberta as per copy of report dated the 8th ultimo.

The indebtedness in this case consists of advances made in 1912 and 1915 in which there is at present a balance due of $439.60. The Liens are registered against title to the N.W. 7-1-13-West 4th Meridian and are also a charge against the N.E. 12-1-14-West 4th Meridian his pre-emption entry which has since been cancelled. The widow of the late C.M. MacDonnell,K.C., of Kingston,Ontario, who held a mortgage against the North-West 7 has applied for an adjustment of the Crown indebtedness through her Solicitors Messrs.Henderson and Herridge this City stating that the mortgage has been foreclosed on, and the amount of the claim is $2,098.58, and that the quarter has been sold for $1200.00.

The assessment values obtained by investigation are such that the Committee recommend an equal apportionment of the indebtedness pursuant to which Messrs. Henderson and Herridge have deposited with them the sum of $219.80 representing one-half of the amount outstanding.

The Committee recommend that in consideration of this sum the Liens be released from the N.W. 7-1-13-West 4th Meridian, and that the balance remain a charge against the N.E. 12-1-14-West 4th Meridian.

I presume it will be in order to prepare the necessary Memorandum to Council.

Gentlemen,

Re:N.E.12-1-14- W4th.
Your File 1642001

I have your letter of June 1st claiming that I owe $201.35 of Dominion Liens.

Last fall I paid the Provincial Representative all the liens against this land, and supposedly had everything cleared off.

I have no knowledge of what this Dominion Lien might be for, as I did not get any seed nor relief of any description in 1938, apparently the year that this lien was registered according to the statement.

Kindly check over your records again and see if there has not been a mistake made in the matter, and advise me as to who signed the lien and what it was for, as I have no recollection of getting anything from the Dominion Government in the amount claimed.

I will appreciate an early reply in order that we can get this lien cleaned up and discharged from the Certificate of Title.

Yours Truly,

Benjamin Smyck.

Re: Account of G.L. Le-Heup,
N.E.¼ 12-1-14-W4.

Dear Sir:

During the years 1912 and 1915 while homesteading the above mentioned land, Mr. G.L. Le-Heup received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $274.56 of which $114.80 is principal and $159.76 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and incases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of G.L. Le-Heup
N.E.¼ 12-1-14-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912 and 1915 seed grain and fodder amounting to $462.75 were advanced to G.L. Le-Heup on the security of the N.W.¼ 7-1-13-4 and the N.E.¼ 12-1-14-4. Payments of $200.00, $105.00, $15.00, $20.00 and $219.80 were received in 1917, 1925, 1925, 1925 and 1928, respectively, and applied to the principal and interest. Under authority of Order in Council P.C. 732/1498 dated the 25th of June 1928, the N.W.¼ 7-1-13-4 was released as security for the liens and the balance of the indebtedness retained as a charge against the N.E.¼ 12-1-14-4. The present standing of this account is:-

Principal	Interest	Total
$114.80	$159.76	$274.56

The N.E.¼ 12-1-14-4 was formerly the homestead entry of G.L. Le-Heup whose entry was cancelled on the 7th of July 1922. The land was later re-entered upon by a Mr. Benjamin Smyk to whom patent issued on the 2nd of January 1929, subject to the liens of the former entrant.

Payments amounting to $559.80 were received by 1928, leaving only a small balance of $114.80 outstanding against the land.

In view of the substantial payments already received, it is recommended, that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

RE: Account of G.L. Le-Heup,
N.½ 12-1-14-W4.

In a letter dated February 15, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which were advanced to G.L. Le-Heup by the Federal Government in the years 1912 and 1915. The amount outstanding is $274.56 of which $114.80 is principal and $159.76 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the accoun and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief,
Mining and Lands Division.

Grain Adjustment Board approved a settlement whereby the indebtedness was divided evenly between the two quarter sections involved. The mortgagee paid the sum of Two Hundred and Nineteen dollars and Eighty cents ($219.80) and the Liens were discharged in so far as the N.W. 7-1-13-W.4th was concerned. The standing of the balance of the account against the N.E. 12-1-14-W.4th is as follows:

Principal	$ 114.80
Interest to March 31, 1960	182.72
	$ 297.52

Solicitors acting for the present owner of the N.E. 12-1-14-W.4th have offered and remitted the sum of One Hundred and Fourteen dollars and Eighty cents ($114.80) for a full compromise settlement.

It is submitted that when the present owner obtained title on January 12th, 1959 he knew nothing of the outstanding account. It did not come to his attention until quite recently when he was obliged to provide a clear title. It should be noted that when the previous payments are added to this offer the total exceeds the principal advanced by a fairly substantial amount.

I believe that the offer is in line with other settlements accepted by the Board and recommend it be accepted, that the balance of the interest charges be cancelled and the Liens discharged.

Yours very truly,

A. H. Duff,
Chief Collector,
Tax Recovery Branch.

Seed Grain Advisory Board.

Re: Account of G. L. LeHeup
N.E.¼ 12-1-14-w.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912 and 1915 seed grain, fodder and relief amounting to $462.75 were advanced to G. L. LeHeup on the security of the N.w.¼ 7-1-13-w.4th and the N.E.¼ 12-1-14-w.4th. Payments of $200.00, $105.00, $15.00, $20.00 and $219.80 were received in 1917, 1925, 1925, 1925 and 1928, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 32/1498 dated the 25th of June, 1928, the N.w.¼ 7-1-13-w.4th was released as security for the liens and the balance of the indebtedness retained as a charge against the N.E.¼ 12-1-14-w.4th. The present standing of this account is:-

Principal	Interest	Total
$114.80	$182.72	$297.52

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Ottawa, 18 October, 1960.

[illegible]

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Federal indebtedness, which is more particularly described in the attached report, be cancelled without any payment and the liens discharged.

Sir:-

I beg to advise you that the following liens are of record in this office against the South East ¼ of section 14, township 9, range 16, west of the 4th meridian, in the name of Mr. H. D. Pierson:-

Seed Grain $265.80 dated 2nd March 1915.

Notation of a Relief lien for $100.00 marked "Added to Seed Grain"

Prov.& Fodder $143.61 dated 11th March 1915.

I am advised by the Registrar, Land Titles Office Calgary, that the following liens have been registered against the above land:-

$265.80 and Relief $100.00 on 12th July 1915.

Fodder $118.61 and Relief $25.00 on 22nd Nov.1915.

These amounts would appear to agree with the liens on file at this office, but there has been a further registration at the Land Titles Office Calgary on the 8th December 1915, of which this office would not appear to have been advised. It is possible however, that this is a duplicate registration of the lien for the same amount registered at the Land Titles Office Calgary on the 12th July 1915, and in this connection I await the Department's advices in due course.

Warren v. Mercer.

Sir,-

I beg to quote from a letter received from the Agent of Dominion Lands at Lethbridge, written under date of the 3rd May last as follows:-

"I am advised by the Registrar, Land Titles Office Calgary, that the following liens have been registered against the above land:-

[illegible] and Relief $100.00 on 14th July 1915,
Fodder $115.61 and Relief $85.87 on 22nd Nov.1915.

These amounts would appear to agree with the liens on file at this office, but there has been a further registration at the Land Titles Office Calgary on the 8th December 1915, of which this office would not appear to have been advised. It is possible, however, that this is a duplicate registration of the lien for the same amount registered at the Land Titles Office Calgary on the 14th July, 1915, and in this connection I await the Department's advices in due course.

I may say that according to the records here, Mr. Mercer is indebted to this Department for only one amount of $100.00 for a previous loan which appears as a separate item in the said Crown lien for $265.87 given by him on the 2nd of March, 1915.

You are hereby authorized and requested to remove the amount of $100.00 from the [illegible] of section 11, Township 9, Range 16, out of the 4th Meridian, registered in the Land Titles Office on the 8th December, 1915.

Commission Member,
Seed Grain Advisory Board.

Re: Account of Anton Teirle
R.M. 2-11-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $241.15 were made to Anton Teirle in 1920 and 1922, on the security of the above-mentioned land. A payment of $114.09 was collected by the Province in 1928, and applied to the interest. The present standing of this account is:-

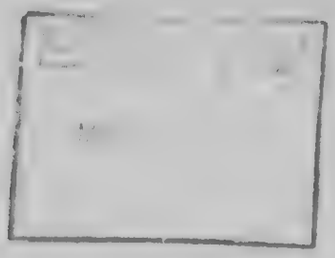

Principal	Interest	Total
$241.15	$[illegible]9.59	$350.74

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1928, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1928, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta was agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. [illegible]ison.

Ottawa, May 2, 1963.

The undersigned members of the Feed Grain Advisory Board, having taken into consideration the attached report, approve the settlement outlined therein and do hereby recommend:-

1. That the Joint-provincial and Federal indebtedness, which is more particularly described in the attached report, be cancelled with at any payment.

Sir,-

I beg to enclose herewith for your consideration statutory declaration made by Mrs. Elizabeth Eich in connection with her entry for the S.E. ¼ of 30--58--6 W. 4th M. which was cancelled on the 23rd instant.

In this connection I would say that the cancellation proceedingd in this case would appear to be irregular owing to the fact that no notice of cancellation was sent Mrs. Eich at Edmonton, her last known address, in consequence of which the notices were not received by her.

Kindly advise what action to take.

I may add that in the meantime the applicant for inspection is being advised to take no action on my letter giving him the privilege of making entry for this land until further advised.

Referring to your homestead entry for the South East ¼ of Section 30, Township 58, Range 8, West of the 4th Meridian, I am to inform you of the receipt of a Homestead Inspector's report from which it would appear that there is sufficient arable land on your homestead to comply with the cultivation conditions of the regulations under which you obtained entry.

I enclose herewith a handbook dealing with the homestead regulations, and would respectfully refer you to the final paragraph on page 18 thereof with respect to 'wooded lands'.

Dear Sir:

Re: SE 30-58-8-4,
Solim Roberge,
Your File 1662137.

Under date of December 18th 1943, the late Mr. J. Lorne Turner forwarded a statement to this office covering the Crown lien in the amount of $76.25 which appears on the title to the above land, mentioning in his letter that this was a Joint Relief lien.

It would be appreciated if you would kindly verify that this lien is in respect of a Joint Relief Advance rather than a straight Dominion Advance.

Dear Sir:

Re: S.I. 30-58-8-W.4th.

This will acknowledge your letter of August 4th, 1950, asking for verification that the Crown Lien in the amount of $76.25 registered against the above quarter section is for a Joint Relief advance. This lien was attached to patent on the strength of a lien given by Solin Roberge on a Dominion Lien Form for unpatented lands only. However we do not have an account set up for this advance and it is possible that the lien should not have been charged against this land. If you have no record of the advance you could let us know and the Registrar will be asked to clear the Title of this lien.

Yours very truly,

Chief, Lands Division.

Dear Sir:

Re: SE 30-58-8-4.

We wish to acknowledge with thanks receipt of your letter of the 17th instant giving us information regarding the Crown Lien in the amount of $76.25.

Our letter of the 4th instant was written on the basis of a search letter obtained from the Registrar, Land Titles Office, Edmonton on December 13,1943 showing title to stand in the name of Solim Roberge subject to the lien.

Search letters have just been received covering the titles to this land showing same to stand in the name of two other individuals free of all encumbrances. Just how the Crown Lien was removed is unknown but as the present titles are clear no action is required.

I might advise that in the red book set up from the Municipal records in 1926 , the 1920 advance of $76.25 was shown as a Seed Grain Advance rather than a Joint Relief Advance which would indicate that the then Secretary-Treasurer of the Municipality used an unpatented land lien form in error. The Seed Grain account has been cancelled having been financed entirely by the Province and the question of this particular lien would seem to be now concluded.

[illegible]icipality took title to both parcels [illegible] June 1st 1[illegible]7 and has not [illegible]-11-10-4. As the two [illegible] parcels are assessed the same, retains the [illegible]nd fifty dollars ($250.00) each, I would recommend that eight hund[illegible]standing in respect of the principal and relief the amount [illegible]tributed equally.

Advances [illegible]

[illegible]le of the [illegible] 1-12-10-4 was effected in 1934 but as the purchase [illegible] has only now been paid the Municipality has not previously [illegible]uested an adjustment. The amount of taxes owing in respect of the l[illegible] sold at the date of the sale was five hundred and fifty-two dollars [illegible] eight cents ($552.80) and in order to ascertain the proper distribution of the proceeds it was necessary to adjust the Dominion and Joint Relief advances and arrive at the balances which were owing in 193[illegible] after making the necessary adjustments in the interest for the period 1934 to 1941 the balances are as follows:

Joint Relief Advances as at March 1/34	801.43
Dominion Advances as at Dec. 31/34	639.15

Taking one-half of these accounts as suggested there are the following charges against the sale price of the land sold:

Taxes	552.80
Joint Relief	400.71
Dominion	319.57
	1273.08

Distribution of the proceeds of this sale on the usual pro-rata basis allowing first five dollars ($5.00) to cover costs results in the following allocation of the monies:

Costs	5.00
Taxes	345.20
Joint Relief	250.24
Dominion	199.56
	800.00

The Municipality has now remitted the sums required for application on the Dominion & Joint Relief advances and I would accordingly recommend that the corresponding liens be released from the title to the [illegible] 1-12-10-4 and retained in respect of the [illegible] 36-11-10-4 pending sale of this latter parcel by the Municipality. As stated in my first paragraph two of the Crown liens were registered against David Hammond and when discharges are issued this will necessarily have to be taken into consideration.

Provincial Seed Grain Advances granted in the years 1919 to 1922 inclusive in the amount of eight hundred and eighty dollars and thirty cents ($880.30) have been cancelled together with accrued interest.

Dear Sir:

Re: S.E. 1-12-10-W.4th.

We have received a letter from Mr. H.C. French, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, dated the 13th of May, 1950, advising us that there are two liens in the amounts of $30.60 and $71.40 still registered against the above land. Mrs. Emma Gray was the administratrix of the estate of David McDonald and it would appear that these liens were registered in the name of David McDonald Estate instead of in her own name.

As a result of this the two liens were not removed under authority given to you in our letter of the 22nd of January, 1949. As it was the intention of this Board Order to release the S.E. 1-12-10-W.4th from both the Federal and Joint Provincial and Federal liens you are hereby authorized and requested to remove the liens for $30.60 and $71.40 in the name of David McDonald from the S.E. 1-12-10-W.4th.

Dear Sir:

Re: SE 1-12-10-4.
Board Order No. 10,461.
Dominion Advances.
Your file No's.2073610,1668660.

Under date of January 22,1949 you forwarded to the Registrar, Land Titles Office, Calgary authority for release of liens in the amount of $445.65, $29.35, $30.60, $71.40 and $102.00 in respect of advances made to Mrs. Emma Gray.

It has come to our attention that title to the above land is still subject to liens in the name of David McDonald Estate in the amount of $30.60 and $71.40 registered as numbers 5764 B.F. and 6576 B.G. on August 28,1915 and September 15,1915 respectively. It appears that Emma Gray was the administratrix of the Estate of David McDonald which resulted in certain of the liens being registered against Emma Gray while the two noted were registered against the David McDonald Estate. As a result of this the two liens in question were not removed from the title to the above land by the Registrar upon receipt of your authority mentioned in the first paragraph.

It is requested that you kindly check into this and if we are correct in assuming that the two liens registered against the David McDonald Estate covered advances standing in your records in the name of Mrs. Emma Gray that you forward further instructions to the Registrar, Land Titles Office, Calgary with advice to this Branch.

Re: Account of Mrs. Emma Gray
N.E.¼ 36-11-10-...4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $577.10 were advanced to Mrs. Emma Gray on the security of the S.E.¼ 1-12-10-...4th and the N.E.¼ 36-11-10-...4th. Payments of $228.46, $34.45 and $199.56 were received in 1915, 1919 and 1928, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 96/65 dated the 13th of January, 1940, the S.E.¼ 1-12-10-...4th was released as security for the liens and the balance of the indebtedness retained as a charge against the N.E.¼ 36-11-10-...4th. The present standing of this account is:-

Principal	Interest	Total
$131.43	$585.03	$716.46

Patent was issued in the name of David McDonald for the N.E.¼ 36-11-10-...4th on the 17th of December, 1910. In 1912 title to the land was acquired by a Mrs. Emma Gray who in 1919 she obtained the advances of seed grain, fodder and relief which became registered against the land.

In 1928 title to the land was acquired by the Municipal District of Bow Island No. 14, under the Tax Recovery Act.

The quarter-section is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. In reply to our questionnaire of the 8th of November, 1939, the Secretary-Treasurer of the M. D. of Bow Island No. 12, advised that at that time the municipality was the assessed owner and that the land was being operated by a Mr. [illegible] Nelson of Alfred, and that there was an accumulation of $2,60... of arrears of taxes standing against the land.

According to the District Office dated the 31st of January, 1936, this quarter-section of land was stands in the name of St. Mary and Milk Rivers Development Co-operation Farmer, subject only to our liens.

The information obtained indicates that the land is such that it no longer offers any security for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:-

Re: Imperial Life and Moses Simpson.

From the records in the Land Titles Office here, it would appear that one Moses Simpson is indebted to the Crown for seed grain and relief furnished in the year 1915. We would be glad if you would let us have particulars of this indebtedness and particulars of the payments made on account of the same, if any.

We are somewhat at a loss to understand how Moses Simpson was able to give a Lien on his land seeing that he died in October 1912.

Dear Sir:-

Re Moses Simpson, Deceased.
Re S.E. 21-11-10 W 4th.

We enclose herewith correspondence as passed between this Company and the Agent of Dominion Lands at Medicine Hat in regard to the seed grain liens registered against the S.E. 21-11-10 W 4th. and the N.E. 16-11-10 W 4th.

We would appreciate having you peruse this correspondence and advise us from your records the liens still registered against these properties.

Apparently the records of the Agent of Dominion Lands at Medicine Hat are not quite clear to him, as you will note that he does not give us the information requested in our letters.

As it is necessary for us to make an adjustment with Mrs. Simpson covering some of the liens which were registered against these entries, and apparently have been paid off in the last three years, we will appreciate advice as to the amounts which have been paid to your Department on account of liens against the above two entries during the past three years.

We have to-day paid into the Agent of Dominion Lands at Medicine Hat our cheque for $87.55, the balance due on the pre-emption entry and will be glad if you will kindly expedite the issue of patent

As security for these advances, liens were registered against the N.E.¼ 16 subsequent to Crown liens. The Municipal District have taken the land under Tax Recovery proceedings and sold it for the sum of $250.00, subject to the Crown liens. The taxes and costs at the time of acquisition amounted to $144.80, leaving a surplus of $105.20.

The S.E.¼ of 21 was also owned by Mrs. Simpson and taken by the District under Tax Recovery proceedings. It was sold to T. Simpson, a son of Mrs. Simpson for $300.00, the purchaser agreeing to assume the Crown liens. The taxes and costs at the time of acquisition amounted to $169.37, leaving a balance of $130.63, which the District are tendering with the surplus from the N.E.¼ 16 as settlement.

The price the purchaser will be required to pay before acquiring title will equal a fair sale value of the land.

The sum of $235.83 proportioned between Seed Grain and Relief would apply as follows:

Seed Grain, principal	$142.39

Rye, "	85.41

Mrs. Simpson is a widow. Having lost practically everything during their residence in Bow Island, the District consider that nothing can be collected under her personal covenant and have classified the account as uncollectable.

I would recommend, therefore, that the cheque for $235.83 hereto attached be accepted as in full settlement of this Municipal account and the undermentioned unpaid balance be written off as uncollectable in as far as it affects this man's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of the N.E.¼, 16-11-10-[illegible]. 4th Mer., but that title thereto passed to the Municipal District of Bow Island No. 94, under Tax Recovery Proceedings.

Mrs. Sarah C. Simpson.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the sum of $236.83, being the surplus proceeds from the sale of the S.E.¼, 21-11-10-W. 4th Mer., and the N.E.¼, 16-11-10-W. 4th Mer., be accepted in full settlement of all liens, Municipal Seed Grain, Rye and Joint ReMef charged against the said land, for advances made to Mrs. Sarah C. Simpson, and that with the payment of the said amount the liens be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated April 8th, 1930, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the N.E.¼, 16-11-10-W. 4th Mer., but that title thereto passed to the Municipal District of Bow Island No. 94, under Tax Recovery Proceedings.

2. That the Municipality sold the said land for the sum of $250.00, with the purchaser to assume all Dominion Liens charged against the said land and that the price paid represents the full actual value thereof.

3. That the Municipal District of Bow Island No. 94, has distributed the proceeds from the sale of said land as provided for in the Tax Recovery Act, by paying all taxes which had priority to the liens and that after paying such taxes, there was a surplus of $105.20, which it is desirable shall be applied on account of said liens.

Re: Account of Mrs. Sarah C. Simpson,
S.E.¼ 21-11-10-W4.

Dear Sir:

During the years 1911, 1914 and 1915 while homesteading the above mentioned land, Mrs. Sarah C. Simpson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,896.25 of which $611.79 is principal and $1,284.46 is interest.

The Seed Grain Advisory board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir:

Re: Account of Mrs. Sarah C. Simpson
S.E. 1/4 11-11-10-4th

In a letter dated the 22nd of February, 1932, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which were advanced to Mrs. Sarah C. Simpson by the Federal Government in the years 1911, 1914 and 1915. The amount outstanding is $1,046.24 of which $611.78 is principal and $434.46 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the final settlement required to pay off the liens.

Dear Sir:-

Re Seed Grain On S.E.5-16-18W.4th

A credit relief account of seed grain and relief ~~figures~~ to have been registered against John Wesley Dunbar on the above land. My understanding this indebtedness was repaid in full at the Dominion Lands Office, Lethbridge, some time ago, but as yet the party owing same does not appear to have received acknowledgment from your Department in the usual course. As this land has been sold ~~###~~ Mr. Dunbar would like to have this item discharged as early as possible so that it will be possible to have your advice if your records still show anything against this land.

Yours truly,

Secretary.

furnishing this evidence you will have an opportunity to appear before the Board and make formal application for entry on the land selected.

Should you secure another homestead you would require to perform all the ordinary homestead settlement duties in order to obtain patent. Any bona fide Relief Indebtedness to this Department would have to be transferred to the new location.

You will observe from the foregoing that if your case is approved by the provincial authorities at Edmonton and you can comply with all the requirements of this Department you must locate your second homestead on land outside the boundaries of the "Dry Area". You will see, therefore, it will not be possible for you to secure a second homestead on the S.E.¼-12-49-5-4th M. which is in the "Dry Area".

Sir,

I beg to acknowledge the receipt of your declaration of recent date, filed here in defence of your pre-emption entry for the N.E.¼ of Section 31 Township 10 Range 15 West of the 4th Meridian, and in reply to say according to the evidence submitted, it would appear that you are performing your residence duties by residing with your father in the vicinity of your land. This is very unsatisfactory, and your entries are in serious default,

I beg to say that the act is specific in requiring a homesteader with a pre-emption to reside on either quarter section in connection with the completion of his duties; however, if you apparently have performed considerable improvements on the land, it has been decided to hold over the cancellation proceedings pending against your entry for a period of 30 days from this date when it will be necessary for you to satisfy the Land of Dominion Lands for the district that you are in actual bona fide residence on either your homestead or pre-emption, with the intention of remaining there.

The aforesaid Agent will report here at the expiration of the said period, and I am to warn you that should it be found you are still in default, your entries may be summarily cancelled without further notice.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land becomes available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10 "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Re: Account of A.A. Tubbs
N.E. 31-10-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1920 relief and seed grain amounting to $224.25 were advanced to A.A. Tubbs on the security of the above mentioned land. No payment however been received and the present standing of this account is:

Principal	Interest	Total
$ 224.25	$ 462.51	$ 686.76

Patent was issued in the name of A.A. Tubbs for the N.E. 31-10-15-W4 on the 21st of February 1913 and later became subject to the 1915 lien. The N.W. 31-10-15-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 24th of February 1927 and the land is still unalienated Crown Land held in the right of the Province.

In 1927 the N.W. 31-10-15-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Bureka No. 14.

The Municipality has been unable to dispose of the land by sale and both quarter sections are now included in a grazing lease issued in the name of a Mr. S. Jensen of Taber, Alberta. There is an accumulation of $[illegible].18 arrears of taxes outstanding against the N.E. 31-10-15-W4. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: [illegible]. . . 10 . . . 11-1-4.
Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above described land.

Mar. 15/22	8.90
Apr. 11/22	54.00
	62.90
Int. to Mar. 31/32	42.90
	$104.80

The debtor endeavoured to struggle along for years but eventually found himself in such a position that he could not continue his operations on this land, with the result that a suit Claim was filed on the prior mortgages and proceedings for foreclosure action and obtained title to the property from the debtor all liens in lieu. The debtor moved from this locality with a view to re-establishing himself elsewhere under conditions which he hoped would be more favourable, but all trace of the debtor has been lost in recent years, his present whereabouts [illegible].

As no security remains and as there is no possibility of obtaining repayment under the personal covenant I would recommend that the balance outstanding be written off.

[illegible] Joint Relief Advances of Thirty-seven dollars, [illegible] cents ($37.17) have already been cancelled.

Re: Account of J. W. Gibson
N.W.¼ 21-2-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $194.40 was advanced to J. W. Gibson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$194.40	$489.33	$683.73

Patent was issued in the name of James Wm. Gibson for the N.W.¼ 21-2-14-W.4th in 1935, and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 30th of January, 1936, this quarter-section of land now stands in the name of a Mr. James William Gibson of Milk River, Alberta, clear of any federal encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

DOMINION LANDS AND CROWN TIMBER OFFICE,

Lethbridge, Alta., Feb. 18th. 1915.

Sir,

I beg to advise you that in the list of seed grain securities received from the Commissioner of Immigration there is an entry of $267.00 advanced to Mr. Wooter Coglon against the South East quarter of Section 5, Township 1, Range 13, West of the 4th Meridian, dated the 17th Feb. 1915. This land stands in the records of this office as Mr. Coglon's unpatented pre-emption.

On enquiring at the Land Titles Office, Calgary, it is found that the South East quarter of Section 4, Township 1, Range 13, West of the 4th Meridian, still stands in Mr. Coglon's name, but the amount of the seed grain lien for $267.00 has not been registered against such land, although registration was made by the Commissioner of Immigration of such amount against the South East quarter of Section 5, Township 1, Range 13, West of the 4th Meridian.

I would be pleased to be advised whether registration of the amount of the seed grain lien should be made against the patented homestead the South East quarter of Section 4, Township 1, Range 13, West of the 4th Meridian, which apparently still stands in Mr. Coglon's name.

Dear Sirs:- Re Victor D. Taylor

The above mentioned is the owner of the S. W. ¼ of section 4 and the South East ¼ of section 5, - 1 - 16- West. On making search of the titles of the above mentioned property at the Land Titles Office in this city we find that there are liens against the S. W. ¼ of section 4 for $267.00, $160.00 and $89.00 respectively and against the S. E. ¼ of section 5 there are liens for $267.00, $267.00, $35.00, $14.00, $40.00, and $50. respectively. You will notice that the last four mentioned $190.00 and you will also notice that the last two mentioned liens against the S. W. ¼ of 4, namely $160.00 and $89. amount to the same sum, namely $249.00 and we wrote you in regard to the same, but at least Mr. Taylor is under the impression that the lien for $267.00 on the S. In addition to the foregoing there is evidence on file that Mrs. Bullock executed a lien for $31.94 for relief, which has been registered against the N.E. ¼ of 27 - 9 - 15 W. 4th M. Total $41.[illegible]

Writing to Mr. J. Bruce Walker under date of the 14th January last, Mr. [illegible] Harvey, Regional Director of the Soldiers' Trusts [illegible] Winnipeg, states in reference to the W.J. of Section 3, Township 10, Range 17, East of the 4th M., that they had the crop under distress at the hands of a Sheriff and that the Company learned of the first time through their Solicitors at Killarney, that Mr. Wallock; having a third interest in this half-section, had been compelled to pay the proceeds of the crop, namely about $600.00, to the Department on account of an advance of seed grain.

Mr. Harvey goes on to state that their loan only covers two-thirds and they do not understand, therefore, how so large a sum of money can be due for seed grain for one half-section. He also states that in view of the decision of the Department to collect only one-half of the liability this year, he feels that something is wrong; commenting either at the instigation of the Sheriff or through Mr. Wallock himself. An explanation is asked for.

In this connection it is presumed that the Sheriff has collected, not only on account of the S. ½ of 3 - 10 - 17 - [illegible] W., but for seed grain and relief registered against the N. ½ of 33, and the S.½ of 4 - 10 - 18 - [illegible] W., [illegible] 10 - 17 - has been written over to the exclusion of the liens registered against the two other half-sections mentioned. This is only a supposition as there is nothing on file to show how the money will be divided. The Sheriff might be asked for a full statement as to how the money was disbursed.

In addition to Mr. [illegible]'s liability for seed grain, there is record of an advance, [illegible] a lump sum of [illegible]. Mr. [illegible] full particulars of which will be given hereunder. This [illegible], it is suggested, is the wife of Burt A. Wallock, who himself is indebted to the Department for considerable seed grain and relief. A statement of his liability will also be given.

The Controller of Revenue,
Department of the Interior,
Ottawa,

Dear Sir:-

Re Imperial Life and Piplinger.

We are acting for the Imperial Life Assurance Company of Canada which holds a Mortgage against the North-west quarter of section 3, Township 11, Range 15 West of the 4th Meridian. This Mortgage was made in May 1912 by one B. P. McMullin, who appears to have later sold the land subject to the Mortgage to Nickolas J. Piplinger and Peter Piplinger, who are now the owners subject to the Mortgage to the Company.

Upon the registered title to this land appears a seed grain lien apparently given by one Annie L. Bullock to the Crown on 27rd February 1915 and registered on 13th July 1915 for $88.55 and $[illegible].00. There is apparently some mistake in this lien and it is probably a mistake in the description of the land, because Annie L. Bullock never appears to have had any interest in the above land or to have farmed it or to have had anything to do with it. We enclose herewith a statutory declaration of Annie L. Bullock in which she declares that she has never farmed the land or had any interest in it, and that if any such lien exists against the land it is an error. From the information in possession of the Insurance Company and what knowledge we personally have had of this matter ever since the making of the Mortgage to the Company, the statements in the declaration enclosed are correct. We are instructed by the Insurance Company to ask you to have the registration of this lien against the above land cancelled as it forms a

re John [illegible] & Co. [illegible].

This case was referred to me on the 3rd instant in reference to the advisability of seizure. A report was requested from the Agent at Indian Lands, Brantford, who secured a confidential letter from a resident of the District. This report bears out the information on file, and shows that Mr. [illegible] has been using every means in his power to evade payment of his just debts. Our Inspector stated that Cunningham thought that he owed $30,000, and this letter states that he admitted in court having judgments to the amount of $40,000 against him. From our Inspector's report, it appears that Mr. Cunningham was using the extraordinary indebtedness for this instrument to prevent other creditors seizing. The case was again referred to you on the 4th instant, and seizure authorized.

I would also call your attention to the case of Mrs. Annie L. Bullock, [illegible] 44 & N. 27 9-18 C.4th, and John A. Bullock, [illegible] 27-9-18 C.4th. On the various parcels of land which Mrs. Bullock owns she obtained good grain to the value of $[illegible].35, all of the grain being for rentors on land which she owned. She also received [illegible] relief amounting to the amount of $[illegible].00. The only payments received were remitted by the elevator companies in 1918, amounting to $441.80. The amount outstanding up to the 31st March, 1919, is $1,197.54. The Agent Indian Lands, Motherwell, in his letter to Mr. Little of the 5th instant, on file No.1676175 advises that these people are in good position financially and are building a large house in Calgary, and serious seizure. John A. Bullock, [illegible] 27-9-18 C.4th, who is farming [illegible] the above letter, belongs to the same family, evidently, as both he and Mrs. Annie L. Bullock give the same address in Calgary. The land was cultivated by rentors in 1918 and is still rented. Kindly advise me if it will be

The lien for seed grain, with which was included previous advances of fodder and relief, was made out against the S.W.-10 and the S.E.3-11-15 W.4th, and was signed by Emile L. It has been held against the S.E.3-11-15 W.4th, which P. J. Scullion has also sold to Nicholas J. Klinger and Peter Kellmer. Sir:-

I beg to refer you to your letter of the 6th September, last, addressed to Mr. Cuttle, in which it is mentioned that Mrs. Annie L. Bullock, or her husband, W. A. Bullock, is building a large hotel in Calgary. According to information furnished by Mr. Macoomb. This case has been recently under review, and it is found that the Department is very inadvertently secured for the large amount outstanding, since the bills of the liens are charged only against the above described half section, all of which are school lands sales and built in arrears. The only lien which is a charge against patented land is the one for $150.25 which charges against the S. .5-11-15 S.4th, in addition to the S.½.27-1-15 S.4th, despite the fact that Mrs. Bullock's roster, W. A. Bullock, who secures the advances, was registered owner of this land in 1915, and gave same as his application.

In view of the above facts, I would ask you to ascertain from Mr. Macoomb the situation of the house in Calgary for which Mrs. Annie L. Bullock is builder, and to have the Agent (whose name it Calgary secure the title to the property in the Land Titles Office, and if the property stands in the name

shows that on the 14th September, last, Mrs. Bullock registered a caveat against the lots, and the Inspector's report states that the property was transferred to her name for tax purposes on the 15th September. For additional security, could the liens given by Annie L. Bullock be registered against her interest in these Lots? This might assist us in securing payment, as she will probably negotiate a loan before the property is transferred to her name, and should the mortgagee neglect to obtain a C...Certificate he would have no knowledge of the liens until after the transaction was completed.

Annie L. Bullock obtained advances in 1915 on the security of the above described half sections, all of which are School Lands. There is a balance due on the account of $648.02 as to the 31st ultimo. Only one payment has been made, $200.00 which was paid last fall to avoid seizure, and Mr. & Mrs. Bullock are reported to be well-to-do but very slow pay. In addition to the School Lands half sections the Department has security for a lien for $190.[illegible] in the N.½.3-11-15 W.4th, which was owned by Bernard McMullin in 1915, who secured these advances on a the[illegible] of Mr. Bullock's land, i.e. N½-11-15 W.4th.

As regards the School Lands, a statement was furnished which shows that only the initial pay of one-tenth of the purchase price was made, in 19[illegible] and the amount outstanding is very much more than original purchase price. The Department, therefore is very indifferently secured for a large advance.

A report was received last fall that Mrs. Annie L. Bullock was building a large house i[illegible] Calgary, and the Agent Dominion Lands was asked obtain a description and abstract of the property Mrs. now replied enclosing the abstract which also

It is noted your protest liens registered against this land, stating that the same have been charged in error.

In this connection I would advise you that when you incurred the indebtedness in question you gave this land as part security, which was mentioned both in your application as purchased land, and also within the liens taken.

It is, therefore, a matter for you to make adjustment, as the Department is not prepared to reduce its security at this late date, - and as you have been shown every leniency in the matter of repayment, I would request that you definitely advise me what provision is being made for early payment, by return mail.

With regard to making payments on this land, probably you are aware that adverse harvests have made it a very difficult to do anything in this connection but we anticipate that now that we have irrigation on this property that we will be able to reduce our indebtedness to you this fall.

We note that you have me charged with the above mentioned quarter. I have never owned this land or ever had anything to do with, and it appears that this is being charged in error to me. Will you kindly look into this matter and advise me further.

I am in receipt of your letter of the 16th ultimo from which it is noted that you will endeavour to release the outstanding indebtedness this fall.

In connection with the advance you received on the security of this land in the amount of 120 bushels of seed oats and for which you executed a lien, it is noted from the file that E.P. McMullin who was then apparently the registered owner, executed the application for 120 bushels of seed oats, and you apparently, therefore, made some agreement with Mr. McMullin relative to encumbering this land and I trust you will, therefore, make the earliest possible arrangements for the settlement of this matter.

Re - S.E. 3-11-15-W. 4th M.

I am in receipt of your letter of the 13th ultimo and may say that the statement contained therein that there was no agreement between yourself and Mr. S.A. McMullin is not to the satisfaction of the Department and in defence of the retention of our liens against this land I am furnishing you herewith photostats of the application on which there is a foot-note which, it is presumed, was subscribed by you but has been partially destroyed as it will be noted.

On referring to the lien it will be observed that this land was given as security and apparently S.A. McMullin must have been an interested party when the lien was executed as it will be noted he had at first been mentioned as the encumbrancer but afterwards your name was inserted.

As you duly signed the lien in question, your responsibility in the matter should be apparent and for your information I am herewith attaching statement showing the outstanding indebtedness particularly as affecting this land, and on account of this lien I will be required to recommend that the encumbrance against this land be removed.

This, of course, should not be confused in any way with your personal account which was handled

Re - H.d. 3-11-15-w. 4th M.

I am in receipt of your letter of the 19th ultimo and may say that the contention you make regarding your execution of the lien in question, cannot be accepted, as I might say in addition to your execution of the lien there is also a receipt on file showing that you took delivery of the grain at Tuber, Alberta, on the 22rd February, 1916, through the Commissioner of Immigration.

Having due regard, therefore, to the existing evidence as to the correctness of the charge against this land, release of the lien can, therefore, only be obtained on payment in full of the indebtedness, statement of which was furnished you with my letter of the 12th ultimo.

NOV 2 1927

It will be noted from your file that the Department has had considerable correspondence with Mrs. Bullock relative to the liens, particularly as registered against this land, namely those for $102.00 and $88.25 which are the only ones registered against this Title. As the payments made in 1915 and 1923 did not specify application to any particular liens, consequently those are being treated as unpaid in order to exact payment for their release, as considerable difficulty has been experienced in obtaining any settlement in connection with this account as a whole.

The communications tending upon this subject are those of 2nd April, 17th May, and 9th June last.

An energetic effort should, therefore, be made to endeavour to obtain settlement.

recommends. However, it is noted from the inspector's report that the S.½ 22 is all in crop, 320 acres, the W.½ 34, 140 acres in crop, and the E.½ 27, 80 acres. The inspector makes no mention of the yield per acre, but on 540 acres, there is likely to be a very large crop, and it does not appear that it would be a hardship on the debtor to liquidate the whole of the seed grain account. In view of the difficulty experienced in the past in effecting collection from these parties, I would recommend that the seizure be allowed to stand.

Mr. J. A. Greenway,
Commissioner of Dominion Lands.

Further to my memorandum of the 26th ultimo, I beg to state that instructions were sent Mr. Martin by wire to issue warrants in the names of Annie L. Bullock and John L. Bullock and the above described lands.

Subsequently a copy of the agent's letter to Mr. Martin was received, which stated that the Wolf Grain Company had phoned to advise him that the grain was being shipped by our load lots and not through the elevator which appeared to be a deliberate attempt to avoid payment, for which reason the agent recommended seizure.

Copies of other letters, dated the 25th October, were received this morning and are placed to the file. They are addressed by the agent to the Lethbridge Coal Company, c/o E. L. Bullock, Calgary, and acknowledge receipt of payments of $100.00 to apply on the indebtedness of John L. Bullock and $100.00 to apply on the indebtedness of Annie L. Bullock, making a total of $200.00 as promised.

In reporting the payment to Mr. Martin, the agent state that Mr. Bullock had told the inspector he would not make any further payment on this account this fall, as he expected to make a cash payment on account of the purchase price of the S.½ 22, S.½ 34 and S.½ 27-1-18 W.4th, which are unpatented School lands. The agent points out, however, that there is no guarantee that Mr. Bullock will make any payment on account of School Lands, and that in this it advisable to let the seizure go through and collect the full amount of the indebtedness this fall.

A telegram, dated the 1st instant has now been received from Mr. Martin, stating the agent advises receipt of $700.00 on this and suggests release of seizure, which Mr. [illegible]

The Agent recommends that the entries be reinstated and an extension of time till next fall be given in which to pay the balance [illegible] what reply should be made.

Respecting the cancellation proceedings still pending against your homestead and pre-emption in the above described, I beg to say that according to a recent report made by an officer of this Department and other evidence submitted, you have so far done nothing in the way of residence that could count to your credit, and owing to the different statements there presented the facts in that regard.

Under the circumstances I would be justified in summarily cancelling your entry. However, in view of the interests affected you will be given further opportunity. By copy of this letter the Commissioner at Lethbridge is being asked to have a Dominion Land Inspector visit your land again some time during the next sixty days. Replying to your letter of the 14th instant, I beg to inform you that since writing you on the 10th ultimo, the Department is in receipt of a further report by a Homestead Inspector Ripley, who, after further investigation, states that little or no bona fide residence has been performed by you on your homestead and pre-emption, the above described half-section, against which cancellation proceedings are pending.

I am to inform you, therefore, that while a settler is not compelled to perform six months' continuous residence, still he may not take credit as residence performed for the time that he is absent from his land no matter for how short a time, except it be for the procuring of supplies and other necessary journeys from his homestead to town and back in connection with the fulfillment of his settlement duties. Protracted periods of residence in town or elsewhere other than the homestead or pre-emption cannot be accepted, and an entrant who

In view of the foregoing, the proceedings in question will be held over until the 1st of next month, by which date it will be necessary for you to satisfy the Agent of Dominion Lands at Lethbridge that you are in bona fide residence, as required of you in the Departmental letter dated the 27th of August last.

"I beg to state that I have again visited
the homestead of Mr. H. E. Tenney and found him not
in residence. One of the neighbours, Mr. A.A. Harriss
of South East of 24, 2, 14. was having Mr. Tenney crop
threshed and taken care of. I interviewed Mr. Harriss
Re. Mr. Tenney's residence and could not get a satis-
factory answer from him. Mr. Isaac J. Mells of Section
of 23, 2, 12, informed me that he had never been Mr.
Tenney in residence on the above described land and
he fully believes that Mr. Tenney is not a bona fide
resident."

The entrant has written the Department
under date of the 3rd instant, representing that he is
taking steps to protect his entry.

In summing up, it appears that whereas the
entrant made good improvements in the way of buildings
and cultivation, having in 1911, broke 44 acres, 1912
52 acres, 1913 placed 100 acres in crop. He has not
performed any bona fide residence whatever. All
residence claimed by him has apparently been discredited
by the Homestead Inspectors and by testimony furnished
by the applicant for cancellation.

Under these circumstances I would sug-
that unless satisfactory evidence is furnished by the
first of June next that a further period of six months
residence has been performed, Mr. H. E. Tenney's entries
be summarily cancelled notwithstanding the value of the
improvements made.

R.E. Tenney made homestead and pre-emption entries on the 4th October, 1910. Several applications have been received for cancellation against the homestead and pre-emption entries and against the pre-emption entry.

The proceedings were abandoned in each case on evidence furnished in the form of statutory declarations by the entrant.

On the 1st of April, 1913, fresh cancellation proceedings were instituted. The applicant for cancellation forwarded three statutory declaration on the 12th May last which showed that the entrant had performed no bona fide residence up to that date.

A Homestead Inspector's report forwarded under cover of the Agent's letter of the 8th July, gave the homesteader credit with the following improvements. House $55.00. Stable $75.00. Granary $75.00. Fencing $100.00. 100 acres in crop. $300.00.

In his general remarks, however, the Inspector states that Mr. J. V. Chambers of Section 2, in the adjoining township, informed him that Mr. Tenney's residence consisted of six weeks during 1911, and from the 1st April to the last of May. Then one week in August in 1912. From the 9th of April, 1913, to the 3rd May following; then from the 5th of June to the date of the report the entrant had only been on the land during two nights.

A further report was received on the 8th of August, accompanied by Mr. Chamber's statutory declaration giving the entrant credit for the following residence.

The Inspector also in a report of June last states that the residence has been performed in an unsatisfactory manner by going to the homestead for two or three days at a time.

There is also on file a report dated August last, which states that from information received from neighbours in the vicinity, the homesteader performed no bona fide residence on the above land.

A recent communication has also been received from Mr. Virgil L. Lowley to the effect that since he applied for cancellation in 1913, the homesteader has only been on the above land as follows:

> "He first arrived on April 9th and left on May 2nd; returned May 13th and left May 22nd. On June 3rd he returned and stayed one day and left on June 5th. He returned June 13th and left next morning, and the same July 15th leaving next morning; back again July 21st for one night and came on August 15th; August 16th he was back again and remained until August 21st. The Agent now reports that the entry has been cancelled, and I am, therefore, to ask you what disposition should be made of the quarter-section.

I might here say the Agent states that two separate applications for cancellation have been received, one for the pre-emption and one for the homestead.

of the land this year, on the understanding that the proceeds of the crop in excess of the tenant's share would be used to pay the taxes, the remainder to be divided pro rata between the Dominion Government and the Bank.

We should suppose that the Provincial Government and the Pioneer Lumber Compan would welcome any opportunity to retain their interest in the property for another year instead of losing it by foreclosure action on the part of this Bank at the present time.

We have a letter on file from Polanski authorizing us to rent the land on terms satisfactory to us.

There is about 150 acres under cultivation on the quarter section.

There is no summerfallow prepared for this year's crop and we do not believe that we could find a renter to take the land except on four-fifth's share of the crop.

We would like to reach an understanding with the lien-holders at the earliest possible moment in order that we can take steps to find a suitable renter in time to have the farm worked this year.

An early reply from you will be appreciated.

Yours truly,

Manager.

Dear Sir;

Re Romeo F Polanski. N W 1/4 35-2-3 W 4th Meridian.

As you have already been informed, we expect, that this man absconded from the country last fall with the proceeds of his 1922 crop.

We have a first mortgage on the above land to secure advances we have made to Polanski which is subject to Seed Grain Bonds to the Crown as recorded on the Duplicate Certificate of Title.

There is also a small Mechanics Lien filed by the Pioneer Lumber Co which is subsequent to our mortgage.

The Provincial Government have some liens registered against the land but our mortgage is subsequent to these.

Land in our district is practically unsaleable and we do not wish to foreclose under our mortgage, if it is possible for us to avoid doing so.

We would like to reach an understanding with your Government and the Provincial Government and the Pioneer Lumber Company, regarding the renting

Re: Account of R.F. Polanski
N.W. 35-2-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to $697.20 was advanced to R.F. Polanski on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 697.20	$1,580.13	$ 2,277.33

Patent was issued in the name ofR.F. Polanski for the N.W. 35-2-13-4 on the 29th of April 1921, subject to the 1919 and 1920 liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionaire of the 26th of September 1952, V. A. West, Director of Lands, Department of Lands and Forests, Province of Alberta, [illegible]:

"I have your letter of the 26th ultimo, and in reply would advise that the above described quarter section is held under Cultivation and Grazing Lease No. 1024, by Lewis Lewison, of MILK River, Alberta. This lease issued for a term of ten years commuted from the 1st ofJanuary, 1946.

According to a report on file, there is an area of 136 acres on this land, which is cultivated.

The quarter is Tax Recovery and will be transferred to the Department of Municipal Affairs for administration at the expiration of the lease."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: NW 18-10-11-W. 4th Meridian,
SW 19-10-11-W. 4th Meridian,
Victor V. Bowe,
Joint Relief Advances,

The above named obtained the following Joint Relief Advances for which liens were filed against the titles:-

October 7th, 1919	$ 34.80
December 27th, 1919	25.00
March 26th, 1920	100.00
April 28th, 1921	50.00
February 6th, 1922	21.55
March 4th, 1922	11.79
March 23rd, 1922	21.85
March 23rd, 1922	12.20
March 27th, 1922	43.65
March 28th, 1922	18.81
April 4th, 1922	14.72
April 10th, 1922	31.90
April 11th, 1922	14.40
April 18th, 1922	16.17
	416.35
Interest to November 30, 1957	1067.00
Total.....	1483.35

Taxes were allowed to accumulate on the NW 18-10-11-W. 4th Meridian with the result that the Municipal District

(Continued on page 2)

of Bow Island acquired title under Tax Sale on June 27th, 1927. Mrs. Isabelle Bowe was the purchaser for Six Hundred and Twenty-Eight ($628.00) dollars under Agreement of Sale.

Due to adverse conditions the Agreement was not kept up but intermittent payments prevented its cancellation. A compromise settlement was arranged recently and the Municipal District of Forty Mile No. 2 is required to provide the purchaser with a clear title.

The amount paid for the parcel, including interest, was Eight Hundred and Fifty-Two dollars and Nine cents ($852.09). Mrs. Bowe paid the taxes from 1927 but there are arrears prior to that year in the amount of Eight Hundred and Three dollars and Sixty-Nine cents ($803.69(. I believe the amount received for the parcel is fair and just.

The SW 19-10-11-4. 4th Meridian is registered in the name of Isabelle Bowe and since it is not involved in the transaction I consider that one-half of the amount outstanding for Joint Relief Advances should be charged against it and the liens remain as security.

In view of the above circumstances I would recommend that application of the sale price be made on a pro-rata basis after allowing for a nominal sum of Five ($5.00) dollars to cover costs. Since the Agreement of Sale for the NW 18-10-11-4. 4th Meridian was drawn in 1927 and the arrears of taxes are prior to that date the following calculation based on the 1927 figures will illustrate the method of distribution:-

	[illegible]	[illegible]
Costs		$ [illegible]
Joint Relief (1/2 amt. outstanding in 1/2 incl. interest)	$ [illegible]	23[illegible].47
Tax arrears prior to 1927	[illegible].69	[illegible].42
	$1[illegible].68	$[illegible].89

Continued on Page 3

I would further recommend that after providing for application of the sum of Two Hundred and Thirty-Three dollars and Forty-Seven cents ($233.47) to the Joint Relief Advances Account action be taken to release the liens from the title to the N½ 18-10-11-W. 4th Meridian and that the liens remain as a charge on the title to the SW 19-10-11-W. 4th Meridian.

mortgage for $2000.00 which was registered against both quarter sections on December 27th, 1920, prior to all Municipal District liens.

The Canadian Bank of Commerce registered a mortgage for $2770.55 against the NW¼. 5- 12- 17- W.4 on December 27th, 1920, which mortgage was secondary to the Manufacturers Life mortgage but prior to the Municipal District liens. The Canadian Bank of Commerce also registered a mortgage for $2873.85 against the NE¼. 6- 12- 17- W.4 on February 18, 1921, which mortgage was also secondary to the Manufacturers Life mortgage but prior to the Municipal District liens.

The Municipal District of McLean #96 obtained title to both quarter sections on May 3rd, 1928, under the provisions of the Tax Recovery Act, and on May 30th, 1928, the lands were sold to Mrs. Gladys E. Tyo, of Retlaw, for the sum of $1090.00, payable $218.00 cash and the balance in four equal annual instalments. There were, at the time of acquisition, arrears of taxes covering a period of six years. This land was sold prior to the date of final acquisition of title, under the provisions of the Tax Recovery Act.

Sperger is an indigent and no collection is possible from him personally. For some years he and his family have received support from the Municipality. After arrears of taxes are cleared the balance of payments will be applied to the Municipal liens.

The total amount outstanding on Municipal liens at December 31, 1928, was $725.87 and of this total 63% are Seed liens and 37% are Relief liens. Having regard to the above mentioned proportions it is recommended that the future payments on this land be apportioned to Seed Grain and Relief in the above mentioned percentages and that, upon completion of the payments, the then outstanding unpaid balances of Seed Grain and Relief be written off as uncollectable both as they affect Sperger's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government.

Yours truly,

Acting Director.

Frank Sperger.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Liens Municipal Seed Grain and Joint Relief, registered against the N.W. ¼, 5, and the N.E. ¼, 6, in Tp. 12, Rge. 17, W. 4th Mer., be retained as a charge against the said lands and that the present registered owners thereof, the Municipal District of McLean No. 96, be required to pay same out of the proceeds of the sale of the land.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated March 19th, 1929, and states in support of recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Manufacturers Life Insurance Company, and to the Canadian Bank of Canada, but that the Mortgagees having priority to the Liens, did not protect the Title and that the Municipality became the registered owners through Tax Recovery Proceedings.

2. That the Municipality have sold the land for the sum of $1090.00, payable $218.00 cash, and the balance in four equal annual instalments.

3. That the amount of the purchase price is the fair actual value thereof and is reported to be sufficient to pay all Liens in full.

4. That the Taxing Authority applied the first instalment on account of Tax arrears and that the total amount payable upon the said Liens is retained as a charge against the land.

Board Order No. 967.

In reply to your letter of the 29th ultimo, I beg to inform you that on checking over the advances made to this man, it is found that the statement submitted by the Director in the above mentioned Board Order is not strictly correct, in that a lien for $30.00 mentioned by you in your letter should have been shewn as a Relief lien, and not a seed grain advance.

I am therefore, attaching hereto an amended statement of the balance outstanding with the request that this be treated as an amendment to the Director's report.

Yours truly,

Sir:-

I beg to acknowledge receipt of your letter of the 14th ultimo, and note that the lien for $30.00 is a relief lien, not seed grain.

As the recommendation of the Board is that the liens be retained against the above described land, it would appear that no memorandum to Council is required, except in the event, upon completion of payments, of the amount of the purchase price being insufficient to fully liquidate the assessment.

OTTAWA. 23rd May, 1925.

Sir:

S.E. 9-11-16-W. 4th Mer.

I beg to acknowledge receipt of your letter of the 5th inst. addressed to the Deputy Minister on behalf of John Lenz in regard to his wish to surrender the S.E. 9-11-16-W. 4th Meridian to the Crown and secure permission to take up another quarter-section in lieu thereof in township 1-19-W. 4th Meridian or in the Cypress District.

This quarter-section was patented to Mr. George Olson as a pre-emption in 1915. John Lenz appears to have become the owner of this land and he secured an advance of farmer from this Department amounting to $60.00 in 1920 and has the same charged to this quarter-section.

Unfortunately existing legislation does not permit the holder of privately owned land surrendering to the Crown with the object of obtaining Dominion land in lieu thereof. The Dominion Lands Act was amended in 1923 for the purpose of assisting settlers who took up homesteads on land classified in the "Dry Area" in southern Saskatchewan and Alberta but this cannot be applied to the holder of privately owned land.

Although a careful search has been made we have not been able to find any trace of Mr. Olson having secured a homestead in his own name. If he has not exhausted his homestead right he is at liberty to make ordinary homestead entry for any quarter-section of Dominion land that is vacant and available for settlement.

If he took up a homestead in the area specified in the 1923 amendment to the Dominion Lands Act already referred to, he might apply for the privilege granted by such amendment, he will require to obtain a

Certificate...

Re: Account of John Doan
N.E.¼ 7-12-16-4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A joint-provincial and Federal advance of relief amounting to $83.60 was made to John Doan in 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$83.60	$239.50	$323.10

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1923, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1923, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the joint-provincial and Federal indebtedness listed above be cancelled without any payment.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Re: NW 3 & SE 3-51-6-W.5th.

This Department has an old account against the above noted land for advances of seed grain to Charley Schow in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached forms.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Charley Chow,
N.W.¼ 3-51-6-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Charley Chow received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $77.66 of which $25.50 is principal and $52.16 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Charley Schow
N.W.¼ 3 4 S.E.¼ 3-51-0-W.5th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $25.50 was advanced to Charley Schow on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$25.50	$57.91	$83.41

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

Dear Sir:-

Re: N.W. 31-10-15-W4th.
N.E. 31-10-15-W4th.

This Department has an old account against the above noted lands for advances of relief, fodder and seed grain to A.A. Tubbe in 1915, 1920 and 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of A.A. Tubbs
N.E. 31-10-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1920 relief and seed grain amounting to $224.25 were advanced to A.A. Tubbs on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 224.25	$ 462.51	$686.76

Patent was issued in the name of A.A. Tubbs for the N.E. 31-10-15-W4 on the 21st of February 1913 and later became subject to the 1915 lien. The N.W. 31-10-15-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 24th of February 1927 and the land is still unalienated Crown Land held in the right of the Province.

In 1927 the N.E. 31-10-15-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Eureka No. 14.

The Municipality has been unable to dispose of the land by sale and both quarter sections are now included in a grazing lease issued in the name of a Mr. S. Jensen of Taber, Alberta. There is an accumulation of $477.18 arrears of taxes outstanding against the N.E. 31-10-15-W4. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

When completed the forms in triplicate, should be sent to the Deputy Minister of Municipal Affairs of your Province, who will send two copies to the Controller of Revenue, Department of the Interior, Ottawa.

All liens against unpatented Dominion lands must be taken in triplicate. The full name of the applicant and correct post office should be given.

Where the applicant is the holder of unpatented Dominion land and is also the registered owner of patented land, you will correctly describe in the space provided the patented land, of which he is the registered owner.

All advances for fodder and relief in cases where a man holds both patented and unpatented lands become a charge and will be registered against both his patented and unpatented lands. It is, therefore, necessary to exercise the greatest care in describing the lands.

Re: Account of Clarence Betts,
N.E.¼ 11-1-15-W4. & N.E.¼ 4-2-14-W4.

Dear Sir:

During the years 1911 and 1915 while homesteading the above mentioned land, Mr. Clarence Betts received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt an having the title of your land cleared. The amount outstanding is $223.49 of which $70.00 is principal and $153.49 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case, If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

RE: N.E. ¼ 11-1-15-W.4th
N.E. ¼ 4-2-14-W.4th

In a letter dated January 18, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which was advanced to Clarence Betts by the Federal Government in the years 1911 and 1915. The amount outstanding is $223.49 of which $70.00 is principal and $153.49 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911 and 1915 seed grain and fodder amounting to $70.00 were advanced to Clarence Betts on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Re: Account of David Wm. Don, (deceased)
N.W.¼ 12-34-17-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. David Wm. Don received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $677.10 of which $225.15 is principal and $451.95 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of David Wm. Don
N.W.¼ 12 & S.W.¼ 13-34-17-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $225.15 was advanced to David Wm. Don on the security of the above mentioned land. A payment of $9.45 was received in 1922 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$225.15	$451.95	$677.10

Patent was issued in the name of David William Don for the N.W.¼ 12-34-17-W.4th on the 13th of April, 1912, the land later becoming subject to the 1915 lien. The S.W.¼ 13-34-17-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still Crown land held in the right of the Province.

This half-section of land is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the lien. The land is situated in that part of the Province where farming has not been carried on with any great success and very little land is changing hands in the district.

In reply to our questionnaire of the 4th of April, 1952, the Secretary-Treasurer of the Municipal District of Settler No. 54 advised us that the N.W.¼ 12-34-17-W.4th had a present day value of about $1,000.00 and that there was an accumulation of $142.98 arrears of taxes outstanding against the land; while the S.W.¼ 13-34-17-W.4th was still Crown land and was not taxed.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances, it is recommended that the indebtedness be cancelled and the lien discharged.

Dear Sir:

Re: N.W. 12 & S.W. 13-34-17-W.4th

We have received a copy of a letter which you addressed to Mr. Cecil Rutherford, Q.C., Barrister and Solicitor, 10856 - 82nd Avenue, Edmonton, Alberta, concerning the Dominion seed grain account of David Wm. Don charged against the above land.

We note that you have received the sum of $150.00 as a partial payment on this account and that you have requested Mr. Rutherford to make application for a compromise settlement.

For some time now, we have been trying to clear up these old accounts and where we have felt that there was no likelihood of collecting the debt, the Seed Grain Advisory Board has recommended the cancellation of the indebtedness. In this case we were not aware that you had received any payment and from all the information available to us, the Board believed that this indebtedness should be written off. Its decision was ratified by Order-in-Council P.C. 29-1575 dated the 25th of October, 1956. Under the circumstances, there seems to be no alternative but to refund the $150.00 to Mr. Rutherford.

We appreciate the amount of work that this settlement has entailed and the inconvenience we have caused you is regretted.

Yours very truly,

C. K. LeCapelain,
Chief,

Sir,

re S.E.½ of 10-35-6-4th Mer.

With further reference to your communication directed to this office under date of the 1st February last, my reply of the 19th idem, and your letter of the 4th instant relative to the lien for $21.85 which encumbers title to the above described land.

In this connection I am to advise that the records indicate that on the security thereof the Municipal District of Ukraine #13 of Lyrnne, Alberta, advanced to Mike Zelenni Roller for $20.70 including interest to 1st January 1921 amounting to $1.15, the amount of the lien is therefore shown as $21.85.

A copy of the said lien dated 10th March 1920 was forwarded to this office and on the issue of patent in the name of the lienee covering a portion of the S.E.½ of 10-35-6-4 same was attached thereto for the security of the Municipal District in question.

As the records fail to show that any payment was made, I would therefore suggest that on your client claims to have redeemed the same two or three years ago that you advise to whom the said remittance was made, and if possible forward the receipt, or a copy of the same, and any other information which may be of assistance in investigating the matter.

Acting Superintendent of Soldiers' Lands.

J. Bercelle, Esq.,

property being situate in a very dry area, they find it very difficult to obtain any reasonable offer, both their inspectors stating that it should be worth approximately $1,000.00.

Upon looking up the value of lands in this locality from various sources, it is found that the E½ 36 was sold by the Tax Recovery Branch for $1,100.00, which would go to show that the Mortgage Company's inspectors have certainly placed a high valuation on this particular land.

It would seem therefore that the Mortgage Company have successfully shown that their loan under the items allowed, exceeds the fair sale value of the property, and that they are therefore entitled to a release of the Dominion lien registered against the land.

In respect of the Joint Relief Account, I find that Tilda Anderberg is a widow who endeavoured to farm this property for a few years, but owing to the extreme drought, was forced to give up and abandon the land.

There would therefore seem no good purpose to be served by the retention of the balance of the Joint Relief Account, and I would recommend that the under mentioned amounts be written off the Provincial books:-

Principal	$234.33
Interest	69.69

My reason for making recommendation for a write off of the Dominion lien in spite of a statement from Ottawa failing to disclose its existence, is on account of the fact that the applicants are extremely anxious to get this encumbrance removed as soon as possible, and as some considerable delay will probably be occasioned by correspondence with the Department of the Interior, I would recommend that that Department be requested to authorise the removal of the lien for $53.70 if and when title to the property is vested in the name of the Associated Mortgage Investors.

Tilda Anderberg.

The Associated Mortgage Investors have applied for the cancellation of the Dominion Liens registered against this property on the grounds that they are suffering loss under their mortgage.

Upon enquiring from the Department of the Interior as to their claim against this land, they have furnished a statement which shows no Dominion liens to be outstanding, but a search at the Land Titles Office discloses a Seed Grain Lien, George Henry Smith to the Crown in 1915 in a sum of $53.70.

There are also the following liens registered by the Provincial Government for advances made to Tilda Anderberg:-

Joint Relief:

5880	28/4/20	$137.50
3399	7/3/22	81.33
2418	2/12/21	15.70

8508	1/5/22	15.00

Payments were realized from sale of chattels in 1924 in a sum of $214.90, which leaves a balance outstanding as at August 31st 1928 of $304.02, comprised:-

Principal	$234.33
Interest	69.69

The Mortgage Company have submitted a statement, showing that their claim is as follows:-

Principal	$1000.00
Taxes outstanding	33.80
Foreclosure costs estimated	175.00

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 2800, hereby recommends that the liens registered against the N.W. 4, 36-17-19-. 4th Mer., for advances made to Alda Anderberg, or to George Henry Smith, be discharged and written off, upon the surrendered Certificate of Title and the registered owners of the said land.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated April 25th, 1942, and states in support of the recommendation:-

1. That prior to the advances being made the latter had title to the aforesaid Northwest Quarter.

2. That the said liens are foreclosable and under ordinary circumstances would be registered against the said land. [illegible] have not been registered against the said land.

3. That the said [illegible] is the sum of $1174.12, and the value of the said land does not exceed the sum of $1,200.00.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $294.53 were made to Matilda Anderberg in 1920, 1921 and 1922 on the security of the above-mentioned land. Payments of $119.00 and $3.90 were collected by the Province in 1924 and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$234.33	$836.95	$[illegible]

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1930, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1930, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Ottawa, [illegible]

Sir,

[illegible] to your application for patent for pre-emption, the [illegible] number of Section [illegible], [illegible], I beg to inform you that according to the evidence furnished, it would appear that you may have completed the requisite cultivation duties in [illegible] of six years but that you have performed residence duties in five years only.

Under the circumstances, before your application can receive further consideration it will be necessary for you to perform a further term of six months' residence either on the pre-emption in question or on your patented free homestead, and then appear before the Agent of Dominion Lands at [illegible], or a sub-agent for the district in which your land is situated, with two competent witnesses, who can testify to your compliance with the requirements of the Dominion Lands Act, and make a supplementary statement setting forth the facts. If, however, you are unable to perform the further residence duties required, there will appear to be no reason why you should not take advantage of section 47 of the Dominion Lands Act, which provides that where the holder of a pre-emption entry is unable to obtain patent for his pre-emption solely by reason of his residence duties being in default, he may become entitled to patent for same by paying, in addition to the usual purchase price to enter, with interest, the extra price of $1.00 per acre.

As cultivation pre-emption duties are established, I am to request you to advise the Department within thirty days from this date what your intentions are in regards to this matter.
